

Project partners meeting in Lithuania

On 21 of October, 2024 meeting of Interreg VI-A Latvia–Lithuania Programme 2021–2027 project **LL-00100 „Digital Craft Tourism“** (D-tour) partners took place in Lithuania – in Panevėžys district and Anykščiai.

The meeting started in Panevėžys district municipality with the discussion about the development of project concept and the progress of preparatory works, as well as a discussion on other issues related to the implementation of these activities. Later, they visited project implementation sites in Panevėžys district – Upytė Traditional Crafts Center and Flax Museum, generated ideas for more efficient creation and execution of exhibition concepts, project partners got acquainted with the activities of craftsmen operating in this region, tested one of the oldest Lithuanian techniques of weaving rope with pebbles and wove symbolic friendship bracelets for the successful development of the joint project.

In order to fulfill project's purpose and present traditional crafts, skills and the use of natural materials, as a bridge between old traditions and modern technologies, encouraging a deeper appreciation of the cultural richness of the regions in Anykščiai Art Incubator–Art Studio project partners discussed about the further course of project's activities creating a common digital exhibition route and considered ideas for the digital ceramics' exhibition planned at this location.

This meeting format is very important for developing more productive and efficient communication between project partners in order to achieve common project results and goals. The next meeting of project partners of this kind is planned to be held in Latvia for visiting project implementation sites in Daugavpils and Kraslava.
