

### Project public procurement in progress

In January, 2025 the public procurement „Services for submission of digital exhibition ideas, preparation of exhibition installation projects and their implementation“ of the project **LL-00100 „Digital Craft Tourism“** (D-tour) is in progress.

In order to ensure smooth implementation of Project activities and cooperation between partners, to discuss the progress of the Project and the challenges faced, the Project team gathered for a remote meeting, during which advice, insights and plans for the near future were shared, it was agreed to continue constructive communication between the Project partners and to carry out project publicity activities.

The coordinator of the lead project partner – representative of the Latgale Planning Region, Sarmīte Teivāne, informed about Steering Committee meeting to be held on 20 of February, 2025 in Daugavpils (Latvia). During the meeting, all partners will be asked to present the progress made so far while implementing the project and provide more information about the ideas and content of the digital exhibitions being created.

In preparation for the process of creating digital exhibitions, Project team members continue to be intensely interested in related innovations in Lithuania and abroad, participating in various events that talk about the impact of changes in the environment while promoting community, shaping people, their choices and habits.

The Interreg VI-A Latvia–Lithuania Programme 2021–2027 aims to contribute to the sustainable and cohesive socioeconomic development of the Programme regions by helping to make them more competitive and attractive for living, studying, working and visiting.
