

Digital exhibition installation contract signed

On 20 of February, 2025 a contract was signed with SC „Baukas“ for the for submission of digital exhibition ideas, preparation of exhibition installation projects and their implementation within the framework of the project **LL-00100 „Digital Craft Tourism“** (D-tour). The stages, forms and other relevant issues of the implementation of this contract were discussed in detail at the meeting with the supplier.

On 20 of February, 2025 Steering committee meeting was held in Daugavpils (Latvia), organized by Latgale Planning Region as leading project partner. During the meeting, all the project partners presented progress of implementation of their project activities planned for 2024, as well as the main project tasks and planned results for 2025. The project implementation sites in Daugavpils and Daugavpils Tradition House were visited, meeting participants familiarized with digital exhibitions installed in Daugavpils cultural institutions.

The upcoming third period of the project implementation obliges project team to intensify the process of creating digital exhibitions in order to create and open to visitors the most attractive and informative interactive exhibitions about the weaving of traditional Aukštaitija region ribbons as well as traditional folk musical instruments of Aukštaitija region.

The Interreg VI-A Latvia–Lithuania Programme 2021–2027 aims to contribute to the sustainable and cohesive socioeconomic development of the Programme regions by helping to make them more competitive and attractive for living, studying, working and visiting.
