

Latvia – Lithuania**Creative process of digital exhibitions is gaining momentum**

The process of preparing and implementing digital exhibition installation projects, which began in March 2025, with the creative team of SC „Baukas“ is gaining momentum as a part of the project **LL-00100 „Digital Craft Tourism“** (D-tour). In order to create and open interactive exhibitions that are as attractive and informative as possible for visitors, intensive communication is taking place at the exhibition locations, and the collection and digitization of information necessary for the content of the exhibitions of traditional Aukštaitija region ribbons weaving as well as traditional folk musical instruments of Aukštaitija region.

More about this – in the video.

To ensure smooth implementation of Project activities and cooperation between partners, to discuss Project progress and challenges encountered, Project team constantly maintains contact with the Project's lead partner – Latgale Planning Region and other organizations participating in the Project.

The Interreg VI-A Latvia–Lithuania Programme 2021–2027 aims to contribute to the sustainable and cohesive socioeconomic development of the Programme regions by helping to make them more competitive and attractive for living, studying, working and visiting.
