Preparation for the "Easy Energy" Project Publicity Event

On September 17th of this year, members of the implementation working group of the "Easy Energy" project (hereinafter – the Project) – Julita Kireilienė, Senior Specialist at the Investment and Foreign Relations Division of the Panevėžys District Municipality Administration, and Domas Jankevičius, Senior Specialist at the Construction and Infrastructure Division – met with Vaida Nakrošienė, Head of the Project Development Division at the Panevėžys Chamber of Commerce, Industry and Crafts, to discuss participation in the Project's publicity event – the annual conference "Technology and Business Trends – 2025", organized by the Faculty of Technology and Business of Kaunas University of Technology in Panevėžys, scheduled for November 21st, 2025.

During the meeting, a preliminary presentation title was formed, the speaker was designated, the structure of the presentation was discussed, tasks were divided, and the future implementation of the Project was discussed.

For more information on the project, visit the Easy energy website <https://interreg-baltic.eu/project/easy-energy/>.

The Easy Energy project co-funded by the Interreg Baltic Sea Region Programme 2021-2027 helps drive the Energy Transition.
