Meeting of Lithuanian partners of the project “Easy energy”

On October 29th, 2025 the Lithuanian partners of the project “*Easy Energy*” (hereinafter – the Project) – members of the implementation working group of the Panevėžys District Municipality Administration – met with the Project implementation working group of the Panevėžys Chamber of Commerce, Industry, and Crafts to discuss further work and their planned participation in a publicity event – the annual conference “Current Issues in Technology and Business – 2025” organized by the Kaunas University of Technology, Panevėžys Faculty of Technologies and Business, which is scheduled for November 21, 2025.

During this meeting, the workshop held in Zakopane, Poland, on October 15–17 was discussed. Information was shared about the further activities of the Project and upcoming events. There was a discussion about the date of the joint event of the Lithuanian Project partners, which is planned for March–April 2026.

An invitation was received from the Panevėžys Chamber of Commerce, Industry, and Crafts to join a meeting on November 17 with Biržai District Municipality’s implementation working group of the Interreg project “*Flip-EC*.”

Since both projects pursue similar goals and results, it is planned that during the upcoming meeting, the “*Easy Energy*” project will be presented, participants will get acquainted with the project implemented by their colleagues, share experiences in carrying out project activities, and plan the next steps for future cooperation.

For more information on the project, visit the Easy energy website <https://interreg-baltic.eu/project/easy-energy/>.

The Easy Energy project co-funded by the Interreg Baltic Sea Region Programme 2021-2027 helps drive the Energy Transition.
